If this Purchase Order is construed as an offer, this offer expressly limits acceptance to the terms of this offer and notice of objection to any different or additional terms in any response to this offer is hereby given. If this Purchase Order is construed as an acceptance of an offer, this acceptance is expressly conditioned upon the offeror's assent to any different or additional terms contained or referenced in this Purchase Order. Notwithstanding the foregoing, in no instance shall any terms and conditions on any Supplier provided forms or documents amend, modify, waive, or release any aspect of the Purchase Order. Under no circumstances will terms and conditions on any Supplier provided form or document be binding on Purchaser regardless of whether such document is attached to a Form. Supplier expressly agrees that any such additional terms and conditions on any Supplier provided forms do not form part of this Purchase Order and hereby waives and releases Purchaser from and against any such claims at law, equity, or otherwise related to any Supplier provided forms.

If at any time Supplier has reason to believe that deliveries will not be made as scheduled, written notice setting forth the cause and duration of the anticipated delay will be given immediately to Purchaser. Acceptance of late delivery of goods shall not be deemed a waiver of Purchaser's right to hold Supplier liable for any loss or damage resulting therefrom, nor shall it act as a modification of any of Supplier's performance obligations hereunder. In case of shortage in the delivered goods, an adjustment will be made to the price, insofar Purchaser accepts the delivery. In no event will Purchaser be required to pay for any quantity of goods delivered in excess of the quantity specified in the Form.

3.3.2 Delinquency in delivery or otherwise unsatisfactory service will be considered cause for cancellation and/or rejection of custom and non-custom goods at no expense to Purchaser.
